

Pressure Wave Switch Sensors

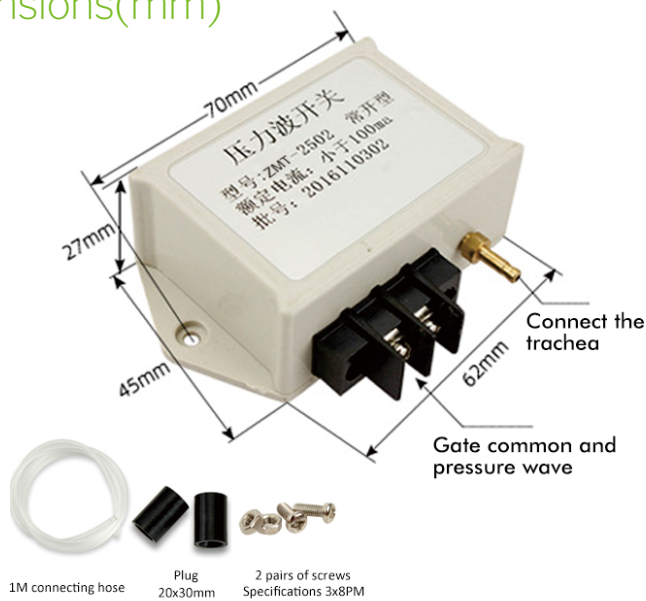

2502

Specifications

Rated voltage	5- 250v	Medium	non-corrosive gas
Wiring	Wiring connection	Withstand voltage	1000mbar
Rated current	5- 20mA	Type	mechanical pressure switch
Mechanical life	100,000 times	Interface	Outer diameter 3mm direct plug interface
Response time	< 10ms	Work pressure	2- 5mpa
Custom processing	yes	Electrical properties	Up to 100mA/250VAC

Dimensions(mm)

S4A Industrial Co., Limited

Address: 6th Floor, Haotai Industrial Zone, Minzhi road,
Longhua District, Shenzhen. CN 518131
